The screenshot displays the Salesforce Lightning interface. At the top, the browser address bar shows the URL: <https://drmgrantsandsciencecollege3-dev-ed.develop.lightning.force.com/one/one.app#eyJjb21wb25lbnREZWYiOiJkZXNrdG9wRGFzaGJvYy...>. The Salesforce logo is on the left, and a search bar is in the center. Below the search bar is a navigation menu with tabs: Sales, Home, Opportunities, Leads, Tasks, Files, Accounts, Contacts, Campaigns, Dashboards (selected), Reports, Chatter, Groups, and More. The main content area shows a dashboard titled "passport with visa locations" with a search icon. Below the title is a table with 10 columns and 10 rows, all of which are empty. To the right of the table are buttons: "+ Component", "+ Filter", and "Save". At the bottom left, there is a "To Do List" section. The Windows taskbar is visible at the very bottom, showing the Start button, search bar, and several application icons.
